

News Release December 12, 2008

United Survivors, Inc. is a national non-profit organization operated by a 100% volunteer network, with all proceeds going to our cause. Our purpose is to eliminate child sexual abuse and enhance the recovery process for victims and survivors of the same. As we do this, we unite survivors and educate communities throughout our nation. To succeed in our purpose, we must work our mission; raising major awareness & education and uniting survivors for strength, support and empowerment. We invite individuals, groups, businesses and organizations to join with us to increase our strength and volume as we stand and speak against child sexual abuse. As we educate and unite, we will gather the necessary evidence to help our law makers form better, stronger and enforced laws to ensure the safety of our nation's most vulnerable.

Our beginning efforts include the formations of two national events; Million Survivor March and RIDE Against Child Sexual Abuse Poker Run. The first March Rally will be held June 12, 2010 near the Capitol steps of each state. It is here we show our unity, give support & strength, and educate survivors and the general public, as well as, our government and law makers. It is because we are survivors of such atrocity that we will Stand Strong & Speak Loud.

RIDE Against Child Sexual Abuse Poker Run is our organization's main fund raiser for the annual "March". This event will be held each year, the first Saturday of April, which is Child Abuse Awareness Month. Our goals for this RUN is not merely for funds, but to increase the unity and partnerships of persons of all walks of life to help fight against and raise awareness of pedophilia.

Our purpose is clear and firm. Our mission is long and challenging. Who better to lead than ones who have seen the unthinkable, felt the unimaginable and survived the unlivable. WE ARE SURVIVORS. We will succeed. We will win. And we ask that you join us in this fight to save our children.
